## A B O U T S O D I C

---

*Building on a history of almost two decades of successful operation in Egypt, SODIC is one of the country's leading real estate development companies.*

SODIC was founded in 1996, with a fundamental commitment to the concept of 'Human Developments' at its heart. This ethos goes beyond mere bricks and mortar. SODIC aims to create environments where residents can lead healthy, productive, creative lives, achieving their aspirations and thriving both as individuals and as communities. This mindset adds value to our developments and to the lives of those that live in them. Our projects adopt cutting-edge design and construction techniques and are delivered on time, every time with the highest standards of customer service. SODIC's portfolio of world-class, award-winning developments speaks for itself and assures its position at the forefront of the Egyptian real estate market.
