# FLOOR PLANS

The background features a complex geometric design. On the left, a solid teal rectangle contains the text 'FLOOR PLANS'. To its right, a larger, lighter teal shape is defined by black lines, resembling a stylized floor plan or architectural layout. The bottom of the image is composed of several overlapping, semi-transparent teal and light green shapes that create a layered, abstract effect. Black lines of varying thicknesses crisscross the composition, some forming a grid-like structure and others creating more dynamic, angular patterns.
