about WHITE 14

The color white is color at its most complete and pure, the color of perfection. In the study of color, white is the color of new beginnings blending clearly with the vision of a new era in the new administrative capital.

White is the blank canvas waiting to be written upon. While white isn't stimulating to the senses, it opens the way for the creation of anything the mind can conceive representing MBGs design-led developments.

White contains an equal balance of all the colors of the spectrum representing a mixed-use development that cater to multiple customer needs.
