*Tomorrow's
Nostalgia*

Tomorrow's Nostalgia
Awaits You Today.

Masyaf Ras Al Hekma; a state of sentimental longing to simpler days, everyday.

The sapphire deep sea embracing turquoise lagoons and soothing music tunes turned up to drown all your troubles away.

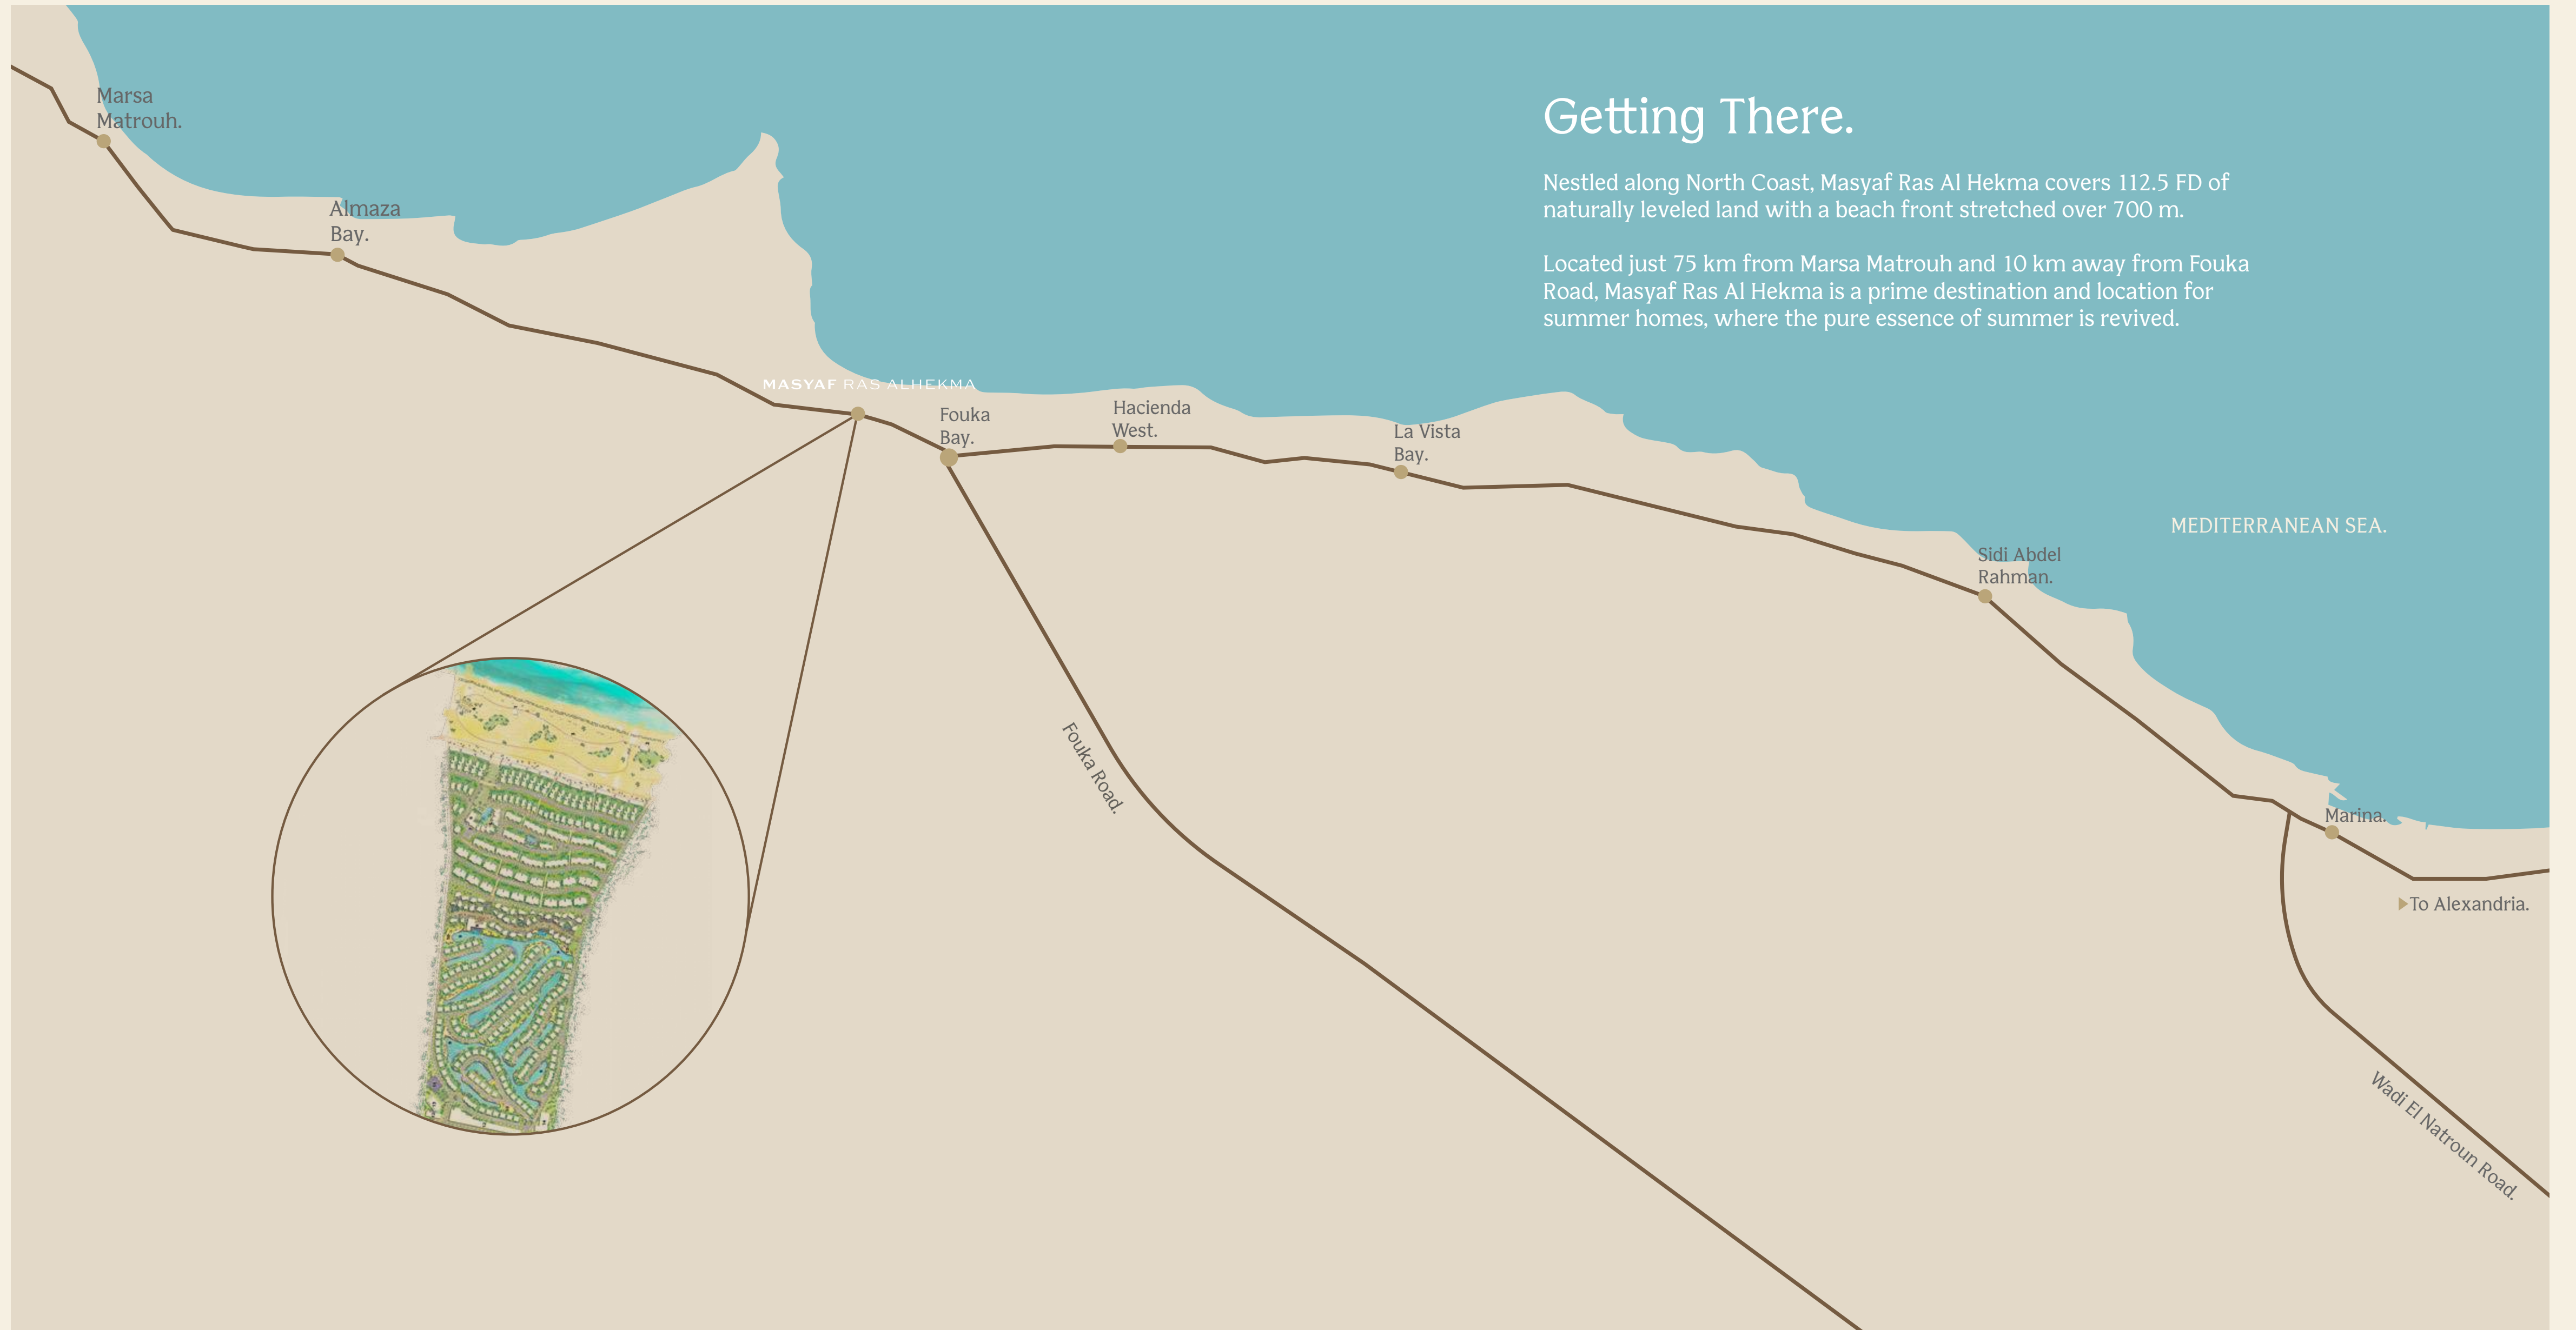

Home to The Light of a Thousand Suns.

Inspired by Greek architecture where floating seascapes and natural simplicity live indoors, Masyaf Ras Al Hekma is a waking dream, stretching out on an impressive 112.5FD of land to lap a pristine 700m beachfront on the Mediterranean shore.

Expertly masterplanned by M squared Developments, the iconic destination takes luxury living to new

heights through elevated platforms, guaranteeing equal views for all homeowners alike while radiating an expansive air of exclusivity and uninterrupted peace — nostalgic of good old summer days. Your life at Masyaf Ras Al Hekma is natural light and sun-drenched beauty amplified around every corner of your signature home.

Getting There.

Nestled along North Coast, Masyaf Ras Al Hekma covers 112.5 FD of naturally leveled land with a beach front stretched over 700 m.

*In The Right Light,
At The Right Time,
Everything Is Extraordinary.*

The Architecture

Masyaf is a unique vision, as well as a grand collaboration of world-leading names. The development is inspired by the simplicity of Greek architecture while blending in authentic Egyptian elements, evoking unparalleled sentiments of calm. Konstantinos Labrinopoulos from K-Lab Architecture explains “Masyaf villas are completely different and a full narrative story of spaces. We should emphasize on that to give people the most luxurious look and feel”

The elemental beauty of Masyaf lies in offering all homeowners uninterrupted sea views, thanks to its unique leveling technique. Mr. Ibrahim Mohasseb - Urban Planner from Die Stadt— explains “Most of Sahel’s projects have villas located in front of the beach and the rest of the buildings behind them without having a sea view. Our selling and unique point is, that any unit with any space has a sea view due to the different ground levels and elevations”

A NATURALLY INVITING DESTINATION

A Luminous Greek Interpretation.

Masyaf Ras Al Hekma pays homage to the simplicity of Greek architecture, boasting three integrated towns that infuse raw materials from nature to paint an aesthetic canvas of minimalist simplicity, as well as an elevated amphitheater of sky and sea. Every home enjoys sweeping window facades to frame captivating views while inviting an abundance of natural light and scenic scapes to

elevate your mood. Crisp, contemporary and more than a little comfortable, living at Masyaf Ras Al Hekma is similar to a lush oasis of calm, opening onto floating lagoons and mesmerizing sea views, as well as a true testament to intricate details, ultimate symmetry and unrivaled harmony, bringing about balance to your every day life.
